Poetry Submission Guidelines

In each issue of extempore we try to include some poetry. We welcome submissions of poetry that is *about, inspired by, or responding to jazz and other improvised music ...*

In 2010, the National Jazz Writing Competition is focusing on poetry, and specifically on poetry inspired by jazz and improvised music in Australia.

We are not able to accept additional poetry this year but if your poetry meets the NJWC submission guidelines and you're interested in entering, the deadline for entries is 30 June 2010.

See <http://njwc.extempore.com.au> for more information.
